TABLE TOP EXHIBITION

The European Federation for the Science and Technology of Lipids (Euro Fed Lipid) is an organiser of an international congress series in the area of fats, oils and lipids.

Drawing from an international audience involved in industry, government and academia, the Euro Fed Lipid congress is renowned for its program of scientific and technological presentations.

Through formal and informal networking opportunities, 600 delegates share insights into the latest scientific and technological developments in the field of fats, oils and lipids.

To give your company exposure during the congress please reserve your expo table by completing this form.

Act fast as table tops are limited!

Early deciders will have longer exposure and visibility on the congress webpage, so decide today!
