

Euro Fed Lipid - A lively network for lipids, fats and oils

March/April 2026 Edition:

Dear Reader,

We bring you the March/April issue of our newsletter, featuring the following:

- Upcoming Euro Fed Lipid events – symposia in Aveiro and Wageningen are open for registration!
- International GERLI PhD Prize – open for nominations
- EJLST – Introduction of a new publication format
- Overview of meetings organized by national/regional societies

Enjoy!

Upcoming Euro Fed Lipid Events

Food Lipids and Lipidomics for Health, Nutrition, and Sustainability

We warmly welcome you to FATS-O-MICS, a symposium for sharing insights and tackling emerging challenges in food lipids and lipidomics – with a focus on health, nutrition, and sustainability.

Key Topics:

- Role of Lipids in health and sustainable diets
- Alternative sources of dietary lipids
- Food lipidomics & traceability
- Analytical challenges in lipid characterization

Submit your Abstract for:

- Analytical Challenges in Food Lipids
- Lipids and Lipidomics: Molecules to Nutrition & Health
- Lipids in Food Quality, Safety & Traceability
- Alternative Lipid Sources, Sustainability & Future Directions

Deadline for Abstract Submissions: 28 February 2026

University of Aveiro, Portugal
02-03 July 2026

6th Symposium on Lipid Oxidation and Antioxidants (ISLOA)

Join leading experts, scholars, and professionals from around the globe to exchange knowledge, share groundbreaking research, and spark new collaborations in this everchanging field of research.

Submit your abstract for:

- Innovative methods for lipid oxidation and antioxidant evaluation.
- Elucidation of lipid oxidation and antioxidant mechanism
- Lipid oxidation in multiphasic systems
- (Co-)Oxidation phenomena in plant-based systems
- Nutritional and physiological effects of oxidized lipids and antioxidants
- Computation and modelling of lipid oxidation

Deadlines for Abstract Submissions: Oral presentations: 31 May 2026 Deadline for poster: 31 July 2026 (for the ebook of Abstracts - abstracts will be accepted until 01 October)

6th International Symposium on Lipid Oxidation and Antioxidants

[12-14 October 2026, Wageningen, The Netherlands](#) **Poster Abstract Submissions and Registrations are open!**

We are delighted to invite you to the **6th International Symposium on Lipid Oxidation and Antioxidants**, which will be held from **12-14 October 2026** in **Wageningen, The Netherlands**. Lipid oxidation and its control through antioxidant strategies have been studied for decades. Yet, these topics remain highly relevant in today's world, striving for greater sustainability, higher nutritional quality, cleaner labels, and minimal processing.....

International-GERLI PhD prize

The International-GERLI PhD prize is offered to reward a PhD thesis work in the field of lipid science

The GERLI Society has a strong international presence, reflected in its annual International Lipid Meeting, which attracts participants from numerous countries, as well as through its affiliation with Euro Fed Lipid.

We have frequently received inquiries from colleagues across Europe and beyond regarding the eligibility of their PhD students to apply for the GERLI PhD Prize. This prestigious award is presented annually and includes the opportunity for the recipient to deliver an oral presentation at the GERLI International Lipid Meeting.
