

# Euro Fed Lipid - A lively network for lipids, fats and oils

**November/December 2024 Edition:**

**Dear Reader,**

The November issue includes the following articles and updates:

- Abstract submissions for the 20th Euro Fed Lipid Congress and Expo
- Overview of the 2024 Euro Fed Lipid Symposiums
- Upcoming Euro Fed Lipid events
- Upcoming National Society events
- 2025 European Young Lipid Science Award Applications

Enjoy!

**20th Euro Fed Lipid Congress 2025**

## Abstract Submissions are open!

We would like to announce that abstract submissions are now open for the 20th Euro Fed Lipid Congress and Expo!

The congress will take place 12 -15 October 2025 in Leipzig, Germany, gathering experts from academia, industry, and research institutions worldwide.

We invite scientists, researchers, and industry professionals to submit their abstracts online at [www.eurofedlipid.org](http://www.eurofedlipid.org).

### Deadlines:

- **Oral Presentation Abstracts:** 31 March 2025
- **Poster Abstract Presentations:** 01 August 2025

For any questions or further details, please contact us at [info@eurofedlipid.org](mailto:info@eurofedlipid.org). We look forward to receiving your submissions!

Past Events

### 5th International Symposium on Lipid Oxidation and Antioxidants

Lipid oxidation is a critical area of research with far-reaching implications in various fields, including food science, nutrition, pharmaceuticals, and health. The role of antioxidants in mitigating lipid oxidation is equally significant.

### 2nd Berlin Symposium on Structured Lipid Phases

At the end of September 88 delegates representing 22 countries gathered in Berlin to share their insights into structured lipids phases and discuss latest results. This second edition of the biannual Berlin Symposium on structured lipid phases was again distinct from other meetings by the 'soft' scheduling leaving plenty of time for discussions and networking.
