## 21st Euro Fed Lipid Congress 2027

### Looking Ahead: The 21st Euro Fed Lipid Congress and Expo Heads to Rotterdam!

After the resounding success of the 20th edition in Leipzig, we are delighted to announce that the **21st Euro Fed Lipid Congress & Expo** will take place in **Rotterdam, The Netherlands, in Autumn 2027!**

Renowned for its vibrant innovation ecosystem, world-class port, and forward-thinking sustainability initiatives, Rotterdam offers the perfect setting for the next chapter of the Euro Fed Lipid journey. The 2027 Congress bring together leading scientists, industry professionals, and delegates from across the lipid world to share insights, forge collaborations, and explore the latest trends shaping the future of lipids and fats.

Save the date and to join us in Rotterdam — where science, industry, and sustainability meet!

#### Special Issue for the 20th Euro Fed Lipid Congress – Call for Papers

First of all, I would like to once again express my sincere thanks to Euro Fed Lipid for inviting me to attend the congress, and to Sevim Saritas and her team for their excellent organization. I had a wonderful time at the Euro Fed Lipid Congress in Leipzig. It was great to see so many fantastic posters, hear so many wonderful presentations, and have all these great conversations during the conference. I thus would like to take the opportunity to announce that we at the European Journal of Lipid Science & Technology will be publishing a Special Issue on this Congress. The first invitations have been sent out. The outstanding and experienced team of editors of the European Journal of Lipid Science & Technology will take care of your submission....
